Mr. A. V. Moothedan *(Chalakkudi):* If the reporting is done in a careless indifferent manner, what is the remedy of the citizens? It is not mistake alone; it is gross failure of the Revenue Department to discharge certain duties. Under the Agriculturists Relief Act tenants are allowed to deposit money value of pattams, according to the rates published in the Gazette. In the Gazette always higher prices are given—always it is done one way. This ought to be stopped. That is why I gave notice of this motion.

Mr. President: You could have tabled a resolution.

2. Stopping the usual concessions granted to Depressed Classes when they change their religion

Mr. President: There is another adjournment motion tabled by the same member. It runs thus: *"For discussing a definite matter of urgent public importance, namely.—The decision of the Government stopping the usual concessions granted to non-Hindus belonging to the Depressed Class community."* I have nothing to say about the admissibility of this motion. I want to hear the views of the members about this motion.

The decision of the Government was to stop the usual concessions to Non-Hindus belonging to the depressed communities. I think the motion itself is wrongly worded. Government have never been giving concessions to Non-Hindus belonging to the depressed classes. The motion is wrongly worded. Anyhow, I do not disallow it on that technical ground. What the hon'ble member means is this: The decision of the Government to stop the usual concessions granted to the depressed classes when they change their religion. Is it not that you mean by this motion?

Mr. A. V. Moothedan *(Chalakkudi):* Yes. I want only that aspect of the matter to be discussed.

Mr. A. B. Salem *(Mattancheri):* I object to that, Sir. If a depressed class becomes a Jew we won't require that concession.

Mr. President: The motion is in order. I would like to konw whether the member has got the leave of the House to move this motion. The hon'ble members who support this motion will please stand up.

(12 members stood up)

Mr. President: Only 12 members stood up. I think, the motion should be supported by 20 members. Therefore, the hon'ble member has not got the permission of the House to move it.
